

Pedregon Racing is having their annual Open House, Thursday, August 30th at the team's shop just two miles from Lucas Oil Dragway. This event's festivities will feature race cars and hot rods, and include great concerts and hold a charity silent auction.

The race cars and hot rods will be parked in the front of the shop and will include a few from the Pedregon family collection. The band Luminare brought to you by K-LOVE Radio will perform from 3-4:30 and beginning at 5 PM the band, The Protest, will take the stage.

"Our open house gives NHRA fans a behind the scene glimpse of how our teams prepare for the circuit. It will be a great start to an exciting weekend of events." said champion driver Tony Pedregon.

Finally, the Andrea Pedregon Charity Foundation, "A Spark Of Hope," will be hosting a silent auction during the open house. Race memorabilia from drivers, teams and sponsors including John Force Racing, Cruz & Tony Pedregon, Ron Capps, Alexis DeJoria, Bob Tasca, Erica Enders, Coca Cola and many other arriving daily for fans to bid on; it is sure to be an exciting place to be. The proceeds from the auction will benefit Girl's Nite In, a non-for-profit (Indy affiliate), that helps to empower young girls to make wise choices through safe refuge places and a structured framework.

"Hosting an auction during the kick-off of the legendary Indy race weekend will surely be a great success," said Andrea Pedregon, founder of Andrea Pedregon Charity Foundation: A Spark Of Hope. "I am thrilled to help a local organization in need of funding thanks to our NHRA Full Throttle supportive fans."
