

After much consideration, I have decided to move forward with another charity project and include all teams, drivers, owners, sponsors, and advertisers. In lieu of producing another calendar, this year I would like to create a "Yearbook" (similar to the annually published PEOPLE Magazine Yearbook). I will be requesting permission to use the NHRA/Full Throttle logo (as I have in the past) for use on the cover. The layout would consist of sections for each Pro Class, including Sportsman & Pro Mod.

The yearbook will highlight race pictures from the current race season, as well as pictures from home ... fans love to know about what we do when we are not racing (ie: engagement, marriage, new baby, kids, vacation, other races you may attend, casual/formal events outside of racing, celebrity meetings, concerts, holidays, etc.)

Please consider helping me support yet another great cause and be a part of a unique "collectable yearbook" from the 2012 season! The last 2 calendars raised nearly \$100,000 combined and supported Melanoma research and Children's cancer thanks to YOUR help!
